## Product List

### New Product Development

At Meadow Foods we have a New Product Development department that can specifically develop dairy ingredients to suit your requirements. If you cannot find the product you require in our list below, please let us know and we can help. Whether it's a soft cheese with a specific fat and protein content or a low fat whipping cream, we will work with you to develop a product that meets your objectives.

### Packed Fresh Creams and Milks

All Packed Creams and Milks are available in: 15kg or 25kg Bag-inTray, 500kg Slims, 1,000kg Metal or Plastic Pallecons both with or without internal valves. Cream is also available in Bulk Tankers. Powders are available in 25kg Bags.
